## GAMING AS YOU'VE NEVE

Now there is a very different magazine for the dedicated games player.

A magazine that commits to reviewing every new game and rating it.

A magazine that examines all the new bardware and tells you whether to buy or wait.

A manazine that is 100% independent and cares only about you getting the best

A magazine that is too a masquess of today's games.

The only magazine that has understood what gamers want for the last 12 years.

The Amiga is leading the way in underground club visuals and alternative pop videos – we talk to the people on the cutting edge of acid video, and tell you all you need to know about how to do it yourself.

Meanwhile, mainstream television, film, video companies and artists are using the Amiga's graphics and video capabilities to spice up their productions. If they're doing it why can't you? CU AMIGA Investigates.
